4 Tips to Prevent Food Poisoning

PROTECT YOURSELF WHEN EATING OUT

Four Tips to Prevent FOOD POISONING

- 1 CHECK INSPECTION SCORES**
Many state health departments make restaurant health inspection scores available on the web. Check the score before going to the restaurant or check when you get there.
- 2 MAKE SURE THE RESTAURANT IS CLEAN**
Confirm that restaurant tables, floors, and utensils are clean. If not, you may want to take your business elsewhere.

The infographic features a grey background with a large fork icon at the top right. A hand is shown holding a smartphone displaying a green checkmark and the number '98'. The second tip includes an illustration of a person in a white shirt and green tie cleaning a table.
