FEMA What to do in an Earthquake

What to do before during and after an earthquake.

Recent earthquakes remind us that we live on a restless planet. But there are many important things we can do before, during, and after an earthquake to protect ourselves, our homes, and our families.

Before an Earthquake

It is important for individuals, families, organizations, and communities to identify their risk, make a plan, create a disaster kit, and remove, relocate, or secure anything that can:

- Fall and hurt someone
- Fall and…
