How the Coronavirus Can Affect Your Business – Special Report

Do you know your legal duties when it comes to reducing the risks of harm to workers and operations associated with serious health emergencies?

While the World Health Organization declared the Coronavirus 2019-nCoV outbreak a public health emergency of international concern, the risk of widespread harm in Canada has been declared low by the Public Health Agency of Canada. Despite the low risk, employers still have many concerns about 2019-nCoV and the impact it may have on their workplaces.
