Injury and Illness Prevention Program (IIPP)

—

An effective IIPP improves the safety and health in your workplace and reduces costs by good management and employee involvement.

SAFETY FIRST

The infographic features a dark gray background. In the top left, the CTI logo is displayed. The main title 'Injury and Illness Prevention Program (IIPP)' is in large, bold, white serif font. Below it is a small white horizontal line. To the right, a circular inset shows a white hard hat and a measuring tape on a construction site. A large, light gray sunburst graphic is positioned behind the text. In the bottom left, a diamond-shaped sign with a black border and white text reads 'SAFETY FIRST' against a background of clouds. On the right, a paragraph of white text describes the benefits of an IIPP.
