NETS Fleet Safety Infographic

Fleet safety benchmark program that will help you reduce collisions injuries and costs.

NETS
Network of Employers for Traffic Safety

No fleet safety leader should go it alone when fleet safety benchmarking gives you **STRENGTH IN NUMBERS™!**

1 in 5*

*On average, 20% of a fleet is involved in a crash annually. PHH ARVAL

Average Direct Cost of an On-the-Job

crash

Direct Costs Only NHTSA 2003

13%

NETS Member Annual Collision Rate

2012 STRENGTH IN NUMBERS™ Benchmark Study

521,000 vehicles
9.8 billion miles

- Total collisions
- Percentage of fleet in a collision
- Injury data
- Collisions per million miles by type of vehicle and country

Fleet sizes ranged from 68 to 44,500 vehicles

Per Fleet of 500 Vehicles

$

$1.65 Million
Annual Cost for a Fleet Collision Rate of 20%
National Average

$580,000
Average Annual NETS Member Savings

$1.07 Million
Annual Cost for a Fleet Collision Rate of 13%
