RECORDKEEPING EXEMPTIONS

BFFORF

January 1, 2015

Employers in certain lowhazard industries designated by SIC Codes are not required to keep injury and illness records unless specifically asked to by OSHA, the Bureau of Labor Statistics, or another authorized entity.

AFTER

January 1, 2015

Updated list of partially exempt industries, designated by NAICS Code.

Check out the updated list

http://ow.ly/C82ps

BOTH

Any employer (regardless of industry) that employed 10 or fewer employees at all times during the previous calendar year is exempt from the requirement to routinely maintain injury and illness records (OSHA 300 Logs).
