Reference Release

I understand that XXX may be checking my references as a part of the selection and hiring process. I authorize representatives of XXX to conduct a reference with any and all work-related contacts listed on my employment application, with any additional contacts I provide, and with any other persons XXX representatives believe could provide relevant information.

I understand that these references, and the information they provide, will be confidential and that I will not have access to them. I release XXX and any person or entity that provides reference information to XXX, from any liability that might otherwise arise from the furnishing or receiving of reference information.
