TXWCC Fall Protection Sample Written Program

A detailed template for developing a company fall protection program including potential hazards training and prevention.

I. OBJECTIVE

The objective of the ***Company Name*** Fall Protection Program is to identify and evaluate fall hazards to which employees will be exposed and to provide specific training as required by the Occupational Safety and Health Administration (OSHA) Fall Protection Standard, 29 CFR 1926, Subpart M.

II. POLICY

It is the policy of ***Company Name*** to protect its employees from occupational injuries by implementing and enforcing safe work practices and appointing a competent person(s) to manage the Fall Protection Program. The ***Company Name*** Fall Protection Program shall comply with the OSHA requirements. A copy of the OSHA Fall Protection Standard shall be made available to all employees, and…
